5M EXTENSION CABLE

The 5 metre (6ft) extension cable has been designed to fit the entire BLUEDIAMOND range of pumps and sensors.

STEPPED ADAPTORS

The blue flexible stepped adaptor (**C01 - 231**) and the black rigid stepped adaptor (**C01 - 226**) fit various air conditioning manufacturer drain hoses, connecting the BLUEDIAMOND pump and suction line together. 8, 13, 19, 25, 32, 38mm OD steps.
